

Declaration on information obligation

(Data Privacy Policy Disclaimer)

The protection of your personal data is very important to us. Therefore we process your data exclusively on the basis of the legal regulations (General Data Protection Regulation, GDPR 2018, TKG 2003).

In this privacy policy we inform you about the most important aspects of data processing within our website.

Contact with us

If you contact us via the form on the website or by e-mail, your data will be stored for six months to process the request and in case of follow-up questions. We will not share this information without your consent.

Cookies

Our website uses so-called cookies. These are small text files that are stored on your device using the browser. They do no harm.

We use cookies to make our offer user-friendly. Some cookies remain stored on your device until you delete them. They allow us to recognize your browser on your next visit.

If you do not want this, you can set up your browser so that it informs you about the setting of cookies and you allow this only in individual cases.

Disabling cookies may limit the functionality of our website.

Your Rights

Basically, you have the right to information, correction, deletion, restriction, data portability, revocation and objection regarding your stored data. If you believe that the processing of your data violates the data protection law or otherwise your data protection claims have been violated in a way, you can complain to us (see contact data below) or the data protection authority.

You can reach us under the following contact details:

Responsible person for data protection/privacy issues:
